Options

- Integrated MSR (encrypted)
- Laser Barcode Scanner

Designed to Provide Enhanced POS on the Go

The WF43 delivers enhanced Wi-Fi reliability, power saving technology, and is easy to set up and use. Designed to withstand harsh POS environments, the WF43 is a hardened mobile POS device. The WF43 is IP54 rated, making it splash proof and dust resistant. The WF43 comes standard with a 4.3" sunlight readable color LCD screen and Windows Mobile 6.5. Ideal for table-side ordering, pay at the table and line busting applications. It is available with add-on options including an integrated magnetic stripe reader or laser barcode scanner.

4.3" Sunlight Display • Windows Mobile 6.5
Unique Power Saving Technology • Small Form Factor
